

Certificate

Product:

Osmo 2K Wood Oil

Client:

Osmo Holz und Color GmbH & Co. KG
Lütkenbecker Weg 12
48155 Münster

Wooden sheets were treated with the above mentioned Oil-Wax-Coating (among other things, suitable for coating kitchen worktops, dining tables, etc.) and were afterwards tested for their migration behaviour by direct contact in terms of organoleptic test and specific migration (GC-MS-screening, metals, BHA, BHT, PAK and BTEX) and isocyanates. (WESSLING test report CAL21-030252-2).

With regard to manner and extent of the performed examinations, the tested samples provided by the client comply with the following regulations, each in their current version:

- Regulation (EC) No. 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC

With regard to manner and extent of the performed examinations, the above mentioned product is suitable for use as a treatment agent of surface areas (work surface in kitchen area), which may come into contact with foodstuffs under household conditions (short time contact under room temperature). The traceability according to Regulation (EC) No. 1935/2004 as well as good manufacturing practice in terms of Regulation (EC) No. 2023/2006 will be guaranteed by the company mentioned above.
